AN INTRODUCTION TO NEWCASTLE UNIVERSITY AFC

Newcastle University Athletic Football Club, known affectionately as “The Royals”, is a proud sports team of Newcastle University.

Our sports teams have finished in the top 10 out of around 146 Higher Education institutions in the British Universities and Colleges Sports (BUCS) table for seven of the last ten years. Newcastle University Athletic Football Club boast a BUCS and Northern Alliance league title, along with the Northumberland FA Scott’s Les Todd Benevolent Bowl trophy from the 17/18 season.

NUAFC has established itself as one of the biggest, proudest and most successful clubs at Newcastle University. The club has gone from strength to strength in recent years, namely winning AU Club of the Year in 2017 and BUCS Northern 1A league title in the 18/19 season.

However, on top of this we are one of very few university football clubs who compete outside of BUCS on the national scene. Attaining Northern League 2 status was a huge step for the club and a challenge we look forward to taking on, after winning the Northern Alliance Premier in the 17/18 season and gaining promotion. One of the core aims of the club is player development and prides itself on trying to play football the right way. This has led to players going on to represent England Universities.

NUAFC was promoted to the top level of University sport BUCS Premier after promotion in 2020.

Season 2021/21 saw the club have success in this reaching the semifinal of BUCS national championships.

Alongside this they reached the final of the Earnest Armstrong cup losing on penalties achieving a respectable finish in their first completed Northern league season.

CHESTER-LE-STREET UNITED HISTORY

Chester-le-Street United was formed during the lockdown of 2020 and comprises of one of the most forward-thinking football clubs in Chester-le-Street working in partnership with Park View Academy of Sport.

While our first season was curtailed due to the continuing pandemic it didn't stop our first season being a successful one, the team reached the semi-final of the Durham Challenge cup and went on to beat Boldon CA in the final of Alan Hood Cup to pick our first clubs first ever silverware.

Our second season also saw the club win more Silverware in the form of the Monkwearmouth Charity Cup – a fantastic 3 – 1 win against FC Hartlepool along with a memorable promotion to the Northern League.

The club prides itself on really giving young players an opportunity to test themselves in the men's game and all our squad for the forthcoming season are aged 19 and under. If you're good enough you're old enough at United.

After an excellent first season in The Ebac Northern League Division 2 were we eventually finished 12th, we're looking to consolidate and push on this season as well as looking to parade our project in The FA Vase and FA Youth Cup where the majority of our first-team squad are eligible to play.

As with every pre-season at United we have lost several first-teamers from last season from our ranks all of which have signed for Clubs at a higher level or within the same division having left the Park View Academy system and no longer being able to commit to our full-time training project.

That though brings fresh opportunities to many young players to be part of the CLS United first-team squad and we thoroughly look forward to the challenges that the Northern League and the 2023/24 season bring.
